STRUCTURE OF DAILY LESSONS

Synchronous (first 30-35 minutes of class)- live virtual learning with teacher and other classmates during “real time.” This includes live-streaming lectures, video conferencing, teleconferencing, and live chatting.

Asynchronous(25-30 minutes each class)- When learners participate in learning absent from the teacher. It includes the following methods: self-guided lesson modules, exchanges across discussion boards or social media platforms, streaming video content, reviewing virtual libraries and posted lecture notes.

Independent Practice (this is asynchronous) - This work session can include re-teaching individual or small groups of students, independent reading or writing time, English Language support, and/or working on IEP goals and objectives.

Closing (last 10 minutes of class)- “live” virtual closing of the day’s lesson with the teacher

DEFINITIONS
